December 2006

APC would like to congratulate Defiance Electric Inc on achieving the distinguished APC Certified Gold Partner Award!

This achievement reflects your dedication and commitment to revolutionizing the way the world designs, builds and manages data centers. By fulfilling all Certified Gold Program requirements, you have demonstrated not only your in-depth knowledge of APC products and solutions, but also your commitment to excellence.

Gold Certification Training enables partners to assist customers with all their IT infrastructure needs including InfraStruXure for Data Center environments.

Your Certified Gold Partner status entitles you to many valuable benefits, tools you need in today's competitive market. By leveraging these perks you will differentiate yourself as a solutions expert and enhance your bottom line.

Thank you for joining us in our mission to assist customers in fulfilling their availability requirements. By earning the APC Gold Certification Award, you have distinguished yourself as a true value-added partner and assured your customers of the highest level of expertise in data center technology application.

Best regards,
